## Your advantages with CargoBeamer

### All semi-trailers

All types of semi-trailers incl. ADR/RID can be transported

### Real-time tracking

Live tracking via GPS available for each loading unit at any time via our eLogistics portal

### High throughput rates

When fully developed, each terminal can handle 12 train pairs with up to 1000 units per day

### Turnaround in record time

Complete loading and unloading of up to 72 semi-trailers within 20 minutes

### Increased profitability

Our customers reduce their costs by up to 20% as compared to road transport

### Doubled asset-utilization

No waiting times allow our customers to double the utilization potential of their drivers and trucks

### Environmentally friendly

Customers can reduce CO2 emissions by up to 80% compared with using the road

### Digital processing

Booking, documentation and invoicing are handled digitally via our eLogistics portal
